

THE NATIONAL PAN AMERICAN GOLF ASSOCIATION

August 5, 2009

Hello to All PAGA Members!

I am your new National Pan American Golf Association President. As your President, I would like to thank Toyo Amador for his leadership during his tenure as President. In addition, I wish to thank all those former members of the last Board for their hard work. I know some have taken on new duties under this administration and I challenge them in their respective tasks.

It is my task to execute the National Constitution and I will not violate those duties set forth by our founding fathers and past members. I bring organization through leadership, management and delegation. I hope to succeed and make all chapters proud of the job I bring.

We now are under new direction to improve and grow our Organization. We, the Board, will be keeping with the National guidelines, rules and laws. I will keep to my commitment of attending one of your local meetings within the next few months to learn and hear your comments and ideas so that we (Board) can better serve you.

I ask for your support and encouragement of this new direction.

Sincerely,

Jesse Pena, President
The National Pan American Golf Association
