Re: Elections of National Officers

In compliance with the National PAGA by-laws, elections for the National Officers will be held at the 2013 National Delegates Meeting in San Antonio, Texas. The positions available are as follows: President, Vice-President, Secretary, Treasurer, and Tournament Director.

A National Elections Committee has been created for the sole purpose of soliciting and identifying candidates and conducting the elections. Any member interested in running for office should contact this committee and express their intent to run for office in writing by the winter meeting in New Braunfels, Texas. All candidates shall submit a personal resume to the committee as soon as possible after notifying the committee of their intent. A complete list of all candidates and their resumes will be sent out to each chapter within 30 days after the winter meeting as required in the by-laws. This will allow ample time for each chapter to direct their delegate on how to vote.

Nominations from the floor at the National Delegates Meeting in San Antonio are not encouraged. A member nominated from the floor will be considered a write-in candidate and no allowance will be made for them.

Please contact this committee should you have any questions or concerns regarding the upcoming elections.

The committee is made up of the following members:
