

October 4, 2007

To All PAGA Members,

It's been ninety days to the day since I've been in office serving as your national president elect for 2008 and 2009. It's been a rather fast paced ninety days but I am glad to report that our third national delegates meeting scheduled for October 27, 2007 in San Antonio is right on track quorum wise.

Out of our forty four (44) chapters, twenty one (21) have confirmed that they will be present. These chapters include Oklahoma City, Alice, Austin, Brazoria County, Brownsville, Corpus Christi, Dallas, Edinburg, El Paso and Fort Worth. Houston, Irving, Lockhart, Mercedes, Missouri City, New Braunfels, San Antonio, San Marcos, Seguin, Victoria and Waco.

Twenty three (23) chapters are required to form a quorum and at this point, we're two chapters short of our goal.

The Phoenix, Pomona, Round Rock and Temple chapters have expressed an interest in attending our meeting but won't commit until after their monthly meeting's which are taking place during the next few days.

We have not heard from Denver, Chicago, Rockford, Indiana, Detroit, Saginaw, or Kansas City. We have also not heard from Abilene, Harlingen, Kingsville, Laredo, Lubbock, Odessa, Plainview, or Pleasanton.

Chapters that won't be present include Santa Ana, Wichita, Amarillo and San Angelo.

The agenda for this meeting is now posted on our website under "Delegate Meeting" and is ready for you to download your copy. Our schedule of events is also posted on our web site under "News".

I want to express my gratitude to our national secretary Charlene Bourgeois, and our new national PAGA web master Alex Garcia, for the outstanding job both have contributed to the enhancement of our www.npaga.org web site, it looks great!

I urge all chapters close to San Antonio to make an extra effort in attending this meeting in order to conduct business during this third mandatory national meeting and workshop.

In closing, I want to thank our new national officers for the leadership roles that they have taken during these short ninety days in office. We're all working for the betterment of our organization.

See you in San Antonio on October 27, 2007.

National PAGA President Elect
