

To: Dallas Chapter and All of its Volunteers,

On behalf of the National Board, we thank the Dallas PAGA Chapter for hosting a successful 2012 3rd Meeting and Workshop. A special thanks goes out to those Dallas volunteers who spent exhausting hours in planning the event and greeting attendees with a positive attitude and smiles. It is my understanding the evening events went smoothly.

I know Alex would have been proud of the success.

Thank you Dan Rogers for all your hard efforts and a job well done.

Sincerely,

Jesse Pena
National President
